Executive Summary

The Native American Basic Grants (NAB) program assists eligible Native Communities in establishing, sustaining, and improving library services and operations with their communities. As information needs change, Tribal libraries must be able to serve as knowledge and resource centers to benefit their users and the wellness of their communities. The NAB program supports Native Communities across the country to address their individual information needs and priorities.

The goal of the program is to improve library and archival services for accessing, learning, and preserving information with the community through the following objectives:

- Supporting the acquisition of library-related materials;
- Supporting programming for identified community priorities;
- Supporting training for library staff; and
- Supporting project activities that include aspects of two or more of the objectives listed above.

To be eligible for this program, your Native Community must be Federally recognized as a Tribe or an Alaska native regional or village corporation, and offer library and/or archival services to the community. Such services may include, but are not limited to, providing free access to books, print and electronic media; research databases; job, employment, and career resources; reference desk services; space for reading, studying, and meeting; and events and activities such as programs, classes, and cultural events for all ages.

Agency Contact Information

IMLS staff are available by phone and/or email to answer programmatic and administrative questions relating to this grant program.

2. Eligibility

Eligible Applicants

To be eligible for an award under the NAB program, your Native Community must be Federally recognized and offer library and/or archival services to the community. Such services may include, but are not limited to providing free access to:

- books, print and electronic media;
- research databases;
- job, employment, and career resources;
- reference desk services;
- space for reading, studying, and meeting; and
- events and activities such as programs, classes, and cultural events for all ages.

To determine funding eligibility for Native Communities under this program, IMLS follows the statutory definition of “Indian Tribe” at 20 U.S.C. § 9101(5). “Indian Tribe” (or “Tribe” or “Native Community”) means “any tribe, band, nation, or other organized group or community, including any Alaska native village, regional corporation, or village corporation (as defined in, or established pursuant to, the Alaska Native Claims Settlement Act (43 U.S.C. § 1601 *et seq.*)), which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians.”

IMLS does not make independent determinations about tribal status. The Bureau of Indian Affairs publishes updated lists of Federally recognized Tribal and Native entities in the Federal Register. This list is periodically updated; the following list was published on January 30, 2026, Federal Register: **list of Federally recognized Tribes in the Federal Register** .

Cost Share Requirements

Cost sharing is not required for this program, and it will not be accepted if voluntarily offered. Applicants must not include cost share in their budgets.

Other Eligibility Information

Application Limits

- We will not consider applications proposing to renew or add funding to active IMLS awards. You may submit only one application under this announcement.
- If eligible, you may submit applications for support of separate and distinct projects through other IMLS grant programs.

Partnerships and Collaborations

- Applications involving partnerships or collaborations are welcome so long as the Tribe is the lead applicant. Potential partners can include other departments within the Tribe, Alaska Native supporting entities, Tribal colleges and universities, school libraries, or local non-Tribal libraries and non-profits.
- If the Tribe collaborates with a partner, the Tribe must meet all eligibility requirements, serve as the lead applicant, and administer the award on behalf of the other(s).
- If we fund the project, the Tribe will be programmatically, fiscally, and legally responsible for the award.

Ineligible Applicants

- We will not review applications from or make awards to ineligible applicants. We will notify you if

your application will not be reviewed because your organization is determined to be ineligible.

- To receive an IMLS award, your organization must be determined to be eligible and must comply with all **applicable IMLS, administrative, and national policy requirements.**

Application Deadlines, Funding Range, and Completeness

- You must submit your application by the deadline in accordance with the Submission Dates and Times section of this NOFO. IMLS generally will reject applications received after the deadline. At its discretion and in rare circumstances, IMLS may consider a late application. IMLS retains the sole discretion to determine whether to accept a late application, and such determinations are final.
- The total federal funding request on your IMLS Budget Form must be between \$6,000 - \$10,000.
- Your application must be complete, and your project and budget must adhere to the program's **funding restrictions** and **application instructions.**

Get Ready to Apply

Readiness Checklist

Applying for an award takes time. Registering with SAM.gov can take several weeks. There are a few important things you'll need to do

Be sure to...

- ☐ Register in SAM.gov (or make sure your Tribe's registration is current) as early as possible. **Remember that SAM.gov registration can take several weeks.**
To register, go to [SAM.gov Entity Registration](#) and click Get Started.
See the [SAM.gov Entity Registration checklist](#) for what you'll need to register in SAM.
- ☐ Get a Unique Entity Identifier (UEI) number. You'll get your organization's UEI when you register in [SAM.gov](#).
- ☐ [Register in Grants.gov](#).
- ☐ Carefully read through this NOFO to get a good understanding of [how to craft your Library Services Plan](#) and [what other documents we require](#).
- ☐ [Review the eligibility requirements](#) and confirm that your Tribe is eligible.
 1. Federally recognized Indian Tribe, including Alaska Native Village, Regional Corporation, or Village Corporation
 2. Offers library and/or archival services to the community
- ☐ [Review the Funding Restrictions](#) and keep them in mind as you develop your application and budget.
- ☐ Review the [post-award requirements](#) to make sure you can meet them.
- ☐ Find the application package. Go to [Grants.gov](#) and search for **Funding Opportunity Number: NAG-BASIC-FY27** or **Assistance Listing Number:**

Registration Requirements

Before you apply, your Tribe must have these three Federal registrations already in place:

- ✓ a **Unique Entity Identifier (UEI) number;**

- ✓ a current and active **System for Award Management (SAM) registration**; and
- ✓ an **active Grants.gov registration** with an approved Authorized Organization Representative (AOR).

Check your materials and registrations now to ensure that they are accurate, current, and active.

We strongly recommend that you obtain a UEI number and complete registration with SAM and Grants.gov months to weeks before the application deadline.

Guidance for Required Registrations

Obtaining a Unique Entity Identifier

The Unique Entity Identifier (UEI) number is a non-proprietary alphanumeric identifier assigned to all entities (public and private companies, individuals, institutions, or organizations) who register to do business with the federal government. The UEI is requested in, and assigned by, the System for Award Management (SAM).

Award recipients must inform any subrecipients that the recipient cannot make a subaward unless the subrecipient also has obtained a UEI.

If your Tribe has an active SAM registration, you can find your assigned UEI in your SAM record. The organization's UEI must be active on both the date that your application is submitted and on the award date. If you don't yet have an active SAM registration, you will receive a UEI when you register in SAM.

[Learn more about the UEI.](#)

Registering with SAM

The System for Award Management (SAM) is a federal repository that centralizes information about grant applicants and awardees. It is always free to all users. You

must register with SAM at SAM.gov before registering with Grants.gov. [Learn how to check a Tribe's registration status in SAM.](#)

If you're registering with SAM for the first time, you must begin by creating a SAM user account through [Login.gov](#). [Click here to learn how to create a secure Login.gov account.](#) Then [proceed to the SAM registration process.](#)

We recommend that you allow several weeks to complete the SAM. Registration process.

You must always maintain an active SAM registration with current information while you have a current federal award or an application under consideration. We are not able to make an award to an entity until it has complied with all applicable UEI and SAM registration requirements. If you have not fully complied with the requirements by the date we are making awards, the agency will not be able to make an award to your Tribe.

You must renew your Tribe's registration in SAM at least every 12 months or whenever your Tribe's information changes. An expired registration will prevent you from submitting your applications via Grants.gov and receiving awards or payments. Award payments will be deposited in the bank account associated with your Tribe's SAM registration.

Registering with Grants.gov

[Grants.gov](#) is the centralized website for grant seekers to find and apply for Federal funding opportunities. Grants.gov is owned and operated by the federal government and is always free to all users.

You must [register with Grants.gov](#) prior to applying for this opportunity. The multistep registration process cannot be completed in a single day. You should make sure your institution's SAM registration is current and active before registering with Grants.gov. If your Tribe is not already registered, allow several weeks before the application deadline to complete this one-time process. **Do not wait until the application deadline to register.**

The Grants.gov user ID and password you obtain when you register are required to submit your application.

After your Tribe registers with Grants.gov and creates an Organizational Applicant Profile, the request for the Tribe's Grants.gov roles and access is sent to the eBiz POC. The eBiz POC will then log into Grants.gov and assign the appropriate roles to individuals within the Tribe. This will include the Authorized Organization Representative (AOR) who is able to complete and submit applications on behalf of the Tribe.

TIP: Know who your Tribe's AOR is and be sure they're aware of when you'll need them available to approve your application submission in Grants.gov.

Designating more than one AOR when you register in Grants.gov will help you avoid missing the deadline if a single AOR is unavailable when you submit your application.

It is also important to update the contact information and password in Grants.gov whenever there are changes with your AOR. **AOR changes can take over 24 hours to go into effect**, so complete this well before the deadline.

Visit [Grants.gov/Support](https://www.grants.gov/Support), email support@grants.gov, or call the Grants.gov Customer Support Hotline at 1-800-518-4726 for assistance with software issues, registration issues, and technical problems. The Hotline is available 24 hours a day, seven days a week, except for Federal holidays.

- What results do you plan to achieve?
- How will you monitor and measure success? (When completing the final performance report, you will be asked to assess how well you believe you completed the award in terms of effectiveness and timeliness).

See below for an example of what the Narrative section of a Library Services Plan might look like.

LIBRARY SERVICES PLAN

NARRATIVE

What activities will be the focus of your work this year?

This year our library has four major activities:

1. Increase open hours – currently we are open 6 days, 9-5pm. We will add evening hours on 3 nights, 5-9 pm.
2. Expand book collection and research databases – we will expand our adult and children areas and add database A and B to our online research options. We will also run book clubs and database classes so community members can learn about new resources coming in.
3. Offer afterschool activities – we will offer weekly art classes for all ages.
4. Offer evening cultural programs – we have identified two speakers who will lead 2 events each around cultural programming for a total 4 evening events.

Will you partner with other departments or institutions, inside or outside the library, Tribe, or community? If so, please provide a list of partners.

- Language and Culture Dept
- Local schools

What results do you plan to achieve? How will you monitor and measure success? (When completing the final performance report, grantees will be asked to rank how well you believe you completed the award in terms of effectiveness and timeliness).

1. More community members coming to the library. We will track community members coming through the door, checking out books and attending our events.
2. Learn more about the subjects that interest our community. After programming, distribute surveys about what they liked and take additional suggestions for future topics, subjects or ideas and share with our partners.
3. We will meet with our finance/accounting and grants compliance every other month to make sure all grant activities, purchases and draw downs are on track for the year.
4. Create a running document and file that tracks all information and data so we have all information about our events for our final performance report. We will also take pictures and place them in the file so we have documentation for ourselves and to share with IMLS.

IMLS Budget Form

Make sure that JavaScript is enabled in your web browser. Download the [IMLS Budget Form \(PDF, 1.67 MB\)](#) to your computer and work on it outside your web browser. When you've completed the form, save it as a PDF and upload it as part of your application through Grants.gov.

The IMLS Budget Form accommodates up to three years of project activities and expenses, but this program will only require use of the "Year 1, Grant Fund"

Learn more about the regulations and requirements related to cost principles for Federal awards:

- [2 C.F.R. § 200 Subpart E - Cost Principles](#)
- [2 C.F.R. § 3187 Subpart C Allowable Costs](#)

Tips for completing your budget form:

- The budget should include the project costs that will be charged to grant funds.
- The total federal funding requested on your IMLS Budget Form must be within the allowable funding range set forth in this NOFO.
- All items listed must be necessary to accomplish project objectives, allowable according to the applicable Federal cost principles, auditable, and incurred during the award's period of performance.
- Charges to the project for items such as salaries, fringe benefits, travel, and contractual services must conform to the written policies and established practices of your Tribe.
- If you need more lines for a specific section, summarize the information in the IMLS Budget Form and explain it further in the Budget Summary.

Budget Form Section

Instructions

1. Salaries and Wages

Include both temporary and permanent staff engaged in project activities. Document how you calculated salaries and wages in your Budget Summary by including the base salary or wages for each person and the percentage of time each person is allocated to project activities, which may be shown as a percentage of time, number of days, or number of hours.

2. Fringe Benefits

Fringe benefits can be claimed as a direct cost for only those positions included in your direct cost pool and only for the portion of salaries and wages identified for this project. Indicate your Tribe's fringe benefit rate (in percent) and the base (in dollars) to which the rate is applied (e.g., 20% x \$175,089.00).

3. Travel

Explain how you calculated amounts for each travel cost, including subsistence, lodging, and transportation, in your Budget Justification.

You must use the lowest available commercial fares for coach or equivalent accommodations, and you must use U.S. flagged air carriers for foreign travel when such services are available, in accordance with applicable requirements.

Eligibility and Completeness Checks

We assess every application to make sure it meets basic requirements for eligibility and completeness.

We won't consider an application that:

- does not meet [the eligibility criteria for the program](#)
- is submitted after the [deadline](#).

If your application is rejected during initial eligibility and completeness checks, we will notify you by email. If you believe the rejection was in error, you can appeal the decision in writing within ten business days of the date we sent the rejection notice.

Review and Selection Process

Basic Grants are non-competitive awards available to eligible applicants to support library operations and maintain library and archival services with Tribes. We make awards only to eligible applicants that submit complete applications, including attachments, through Grants.gov, on or before the deadline. The Director makes final funding decisions consistent with the criteria set forth in this NOFO.

Risk Assessment

For federal awards with a total amount of federal dollars greater than the simplified acquisition threshold (currently \$350,000 but is periodically adjusted), we are required to review and consider applicant information in the designated integrity and performance system, which is accessible through SAM.gov.

You may review information in the designated integrity and performance systems and comment on any information about your Tribe that a federal awarding agency previously entered.

We will consider any applicant comments, in addition to other information in the designated integrity and performance system, in reviewing the applicant's integrity, business ethics, and record of performance under federal awards when completing the review of risk posed by applicants.

7. Award Notices

We will not release information about the status of an application until we have completed all deliberations.

We expect to notify applicants of funding decisions by email in April 2027.

Funded Applications

If your application is successful, we will send your Authorizing Official, Project Director, and Grant Administrator an email notification with congratulations and instructions for accessing the agency's electronic grants management system, eGMS Reach. Once you activate your eGMS Reach account, you'll have access to your Official Award Notification, award letter, reporting schedule, and IMLS-approved budget document.

The Official Award Notification is the only document obligating funds and authorizing you to begin performance on the specified date. Unless you've received prior written approval from us that pre-award costs are allowed, incurring those costs before the period of performance begins is entirely at your own risk.

Unfunded Applications

If your application is selected for funding, we will send your Authorizing Official, Project Director, and Grant Administrator an email notification. We will share the number of applications and the total of requested funding we received in response to this NOFO. You can also contact us to help you understand the decision and decide whether to revise the proposal and re-submit it to IMLS or another funding agency in the future.

*Please note: OMB is in the process of updating the Uniform Guidance at 2 CFR § 200 (**Uniform Guidance Revisions**). For IMLS grant awards made on or after October 1, 2026, the Uniform Guidance Revisions will apply.

You must also comply with [2 C.F.R. § 180](#) and [2 C.F.R. § 3185](#); these rules pertain to providing information regarding all debarment, suspension, and related offenses, as applicable.

If the total value of your active grants, cooperative agreements, and procurement contracts from all Federal agencies exceeds \$10,000,000 at any time during the performance period for an award issued under this NOFO, you should [refer to the reporting requirements set forth in 2 C.F.R. § 200, Appendix XII – Award Term and Condition for Recipient Integrity and Performance Matters](#).

IMLS Assurances and Certifications

Applicants for federal funds must certify that they will comply with certain nondiscrimination, debarment and suspension, drug-free workplace, and lobbying statutes and regulations. These are set forth in more detail, along with other requirements, in the [**IMLS Assurances and Certifications**](#).

By submitting an application, which includes the [**IMLS Assurances and Certifications**](#), you certify that you comply with these requirements and that you will maintain records and submit any reports that are necessary to ensure such compliance. Failure to comply with these statutory and regulatory requirements may result in the suspension or termination of the award and require that the recipient return funds to the government.

For information about award termination, please see the [**IMLS General Terms and Conditions for IMLS Discretionary Grant and Cooperative Agreement Awards**](#) and [**2 C.F.R. § 200.340 Termination**](#). IMLS may update the General Terms and Conditions before making awards for this program.

Acknowledging IMLS Support

Award recipients must include acknowledgement of IMLS support in all grant products, publications, websites, and presentations developed with IMLS funding.

All work products must reference IMLS and include the associated award number(s). The [**IMLS Grantee Communications Kit**](#) provides guidance for fulfilling these requirements.

Conflict of Interest Requirements

Recipients must follow IMLS conflict of interest policies for Federal awards. You must disclose in writing any potential or actual conflict of interest to an IMLS Program Officer, or to the pass-through entity if you are a subrecipient or contractor. This disclosure must take place immediately whether you are an applicant or have an active IMLS award.

The IMLS conflict of interest policies apply to subawards as well as contracts, and are as follows:

- You must maintain written standards of conduct covering conflicts of interest and the performance of your employees engaged in the selection, award, and administration of subawards and contracts.
- None of your employees may participate in the selection, award, or administration of a subaward or contract supported by a federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest may arise if the employee, officer, agent, board member, or any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from an organization being considered for or that has received a subaward or contract. Also, the officers, employees, agents, and board members of your organization must not solicit or accept gratuities, favors, or anything of monetary value from subrecipients or contractors or parties to subawards or contracts.
- If you have a parent, affiliate, or subsidiary organization that is not a state, local, or tribal government, you must also maintain written standards of conduct covering organizational conflicts of interest. An organizational conflict of interest occurs if, because of relationships with a parent company, affiliate, or subsidiary organization, you are unable or appear to be unable to be impartial in conducting a subaward or procurement action involving a related organization.
