For each activity below, please indicate if your SFA or schools in your SFA have never done the listed activity, did the activity before SY 2022-23, did the activity last year (SY 2022-23), are doing the activity this year (SY 2023-24), and/or plan to do the activity in the future. For each row, please choose all that apply. If you're taking the Census on a mobile phone, please rotate your phone horizontally for landscape mode to scroll through the grid. Remember, we are counting it as participation even if only one school in your SFA does or has done an activity.
