

Project Narrative Yr5

Recipient:

1Test-WP-P1

Final Approval

OMB No: 0920-1175

Expiration Date: 08/31/2026

CDC estimates the average public reporting burden for this collection of information as 21 hours per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: CDC/ICRO Office, 1600 Clifton Road NE, MS H21-8, Atlanta, Georgia 30329; ATTN: PRA (0920-1175).

NOFO Title

Modernizing Environmental Public Health Tracking to Advance Environmental Health Surveillance (CDC-RFA-EH22-2202)

Recipient

Test

Project Title

Supporting and Maintaing the Tracking Network

Logic Model Activity

Please select the associated Logic Model Activity/Activities.

Based on your selection, the categories below will expand to select the associated activities.

- ☐ Surveillance
- ☐ Information Technology
- ☐ Partnerships
- ☐ Communication and Outreach
- ☐ Program Capacity
- ☐ Evaluation

Surveillance

Information Technology

Partnerships

Communications and Outreach

Program Capacity

Evaluation

Logic Model Output

- ☐ Standardized and accessible national environmental and health surveillance data
- ☐ Expanded evidence base for the practice of environmental health
- ☐ Comprehensive surveillance system with tools, guides, and best practices to assess health effects related to environmental exposures
- ☐ Targeted communications products and messages
- ☐ Increased awareness of the Tracking Network
- ☐ Informed and engaged partners and users
- ☐ Improved workforce and Tracking Network capacity

Short-Term Outcome

Please select the associated Short-Term Outcome(s).

Surveillance

- ☐ Increased data monitoring of environmental health topics
- ☐ Improved completeness, timeliness, and quality of environmental public health surveillance data
- ☐ Increased surveillance of environmental health disparities

Communication and Outreach

- ☐ Improved communication of environmental health topics to appropriate audiences
- ☐ Improved messaging that promotes inclusive communication

Partnerships

- ☐ Increased stakeholder inclusion in data sharing, communication, and response
- ☐ Increased collaboration with stakeholders to reduce health disparities

Program Capacity

- ☐ Increased knowledge and ability among EPHT workforce
- ☐ Increased recipient capacity to provide technical assistance to advance environmental public health interventions

Evaluation

- ☐ Improved completeness, timeliness, and quality of evaluation data

Information Technology

- ☐ Improved information technology tools and systems.

Choose the Environmental Health Topic(s) impacted by this activity.

Environmental	Health	Demographics
☐ Air quality ☐ Biomonitoring ☐ Children's environmental health ☐ Climate change ☐ COVID-19 ☐ Drinking water ☐ Drought ☐ Emergency response/preparedness ☐ Food safety ☐ Harmful algal blooms ☐ Hazardous waste site ☐ Hydraulic fracturing ('fracking') ☐ Pesticide exposures ☐ Per- and polyfluoroalkyl substances (PFAS) ☐ Pollen ☐ Precipitation and flooding ☐ Private well water ☐ Radon ☐ Severe weather ☐ Sunlight and UV ☐ Toxic substance releases ☐ Wastewater ☐ Wildfire	☐ Asthma ☐ Birth defects ☐ Cancer ☐ Carbon monoxide poisoning ☐ Childhood cancers ☐ COPD ☐ Heart disease and stroke ☐ Heat and heat-related illness ☐ Hormone disorders ☐ Infectious disease ☐ Lead poisoning ☐ Lifestyle risk factors ☐ Reproductive and birth outcomes ☐ Vector-borne disease	☐ Community characteristics ☐ Community design ☐ Developmental disabilities ☐ Drug/illegal drug ☐ Populations and vulnerabilities
Not Listed		
☐ Other		

Disproportionately Affected Populations (DAP)

Please select all that apply.

- ☐ Racial and ethnic minority populations
- ☐ People living in rural or frontier areas
- ☐ People experiencing homelessness
- ☐ Essential and frontline workers
- ☐ People with disabilities
- ☐ People with substance use disorders

- ☐ People who are justice-involved or incarcerated
- ☐ Non-US-born people
- ☐ Tribal populations
