Type of Change from 2013 to 2026 Iteration	Description of Change	Burden Implications	Burden Implications (Methodology)
New	Addition of a subindicator header for guidance of following subindicators.	N/A	Visual edit for guidance only.
New	Addition of a new PI data metric to capture community engagement (CE) operations. This new metric ensures CE-related reporting is standardized and incorporated into the existing PI structure.	One Time Implementation- 27 hours per state Ongoing Reporting- 0.1 hour per state	Total implementation of 162 hours per state/6 new submetric = 27 hours for one time implementation. Ongoing reporting for a total of 4 hours per state/month. 0.6 hours/month for 6 new submetrics= 0.1 hour/submetric/month.
