

**Addendum to the Supporting Statement for Public Information Campaign
OMB No. 0960-0544**

Terms of Clearance

OMB placed the following Terms of Clearance on this Information Collection when they last approved it on 7/21/23:

- **The agency made modifications to the supporting statement to provide additional details regarding the description of this information collection and limitations to the information gathered through this collection.**

SSA response: SSA complied with OMB's request to make minor modifications to the Supporting Statement to provide additional details regarding the description of this information collection and limitations to the information gathered through this collection.
