

In order to help the Office on Trafficking in Persons' National Human Trafficking Training and Technical Assistance Center (NHTTAC) better serve the field, we are reaching out to obtain your feedback. We will protect the privacy of your information in accordance with the Federal Privacy Act, and we will protect the privacy of your responses using procedures we have in place, including reporting all information in aggregate to avoid identifying information. Only members of the NHTTAC Evaluation Team have access to information that could identify respondents. If you have any questions about this survey or the evaluation, please contact Evaluation@nhttac.org.

Please provide your email address to enable us to track your participation across NHTTAC offerings and your preferences/insights provided. You will be prompted to provide this same email address each time.

If you do not have an email address or prefer to use a unique identifier, create a username to be used and retained for future NHTTAC evaluations. Username example: Provide your two-digit birth month, first initial, and middle initial (e.g., 08JD)

In the questions below, we share competencies reflected in the T/TA goals and framework to establish changes in your ability to apply skills after participating in the T/TA. We will ask you to rate the extent to which you have used or applied these skills in your profession on a scale from 1 (Not At All) to 5 (Always). Please use the following definitions to provide your ratings:

- **Not At All:** I am not applying the competency in my professional role.
- **Rarely:** I am applying the competency approximately 10% of the time and have little experience applying it in my professional role.
- **Sometimes:** I am applying the competency approximately 40% of the time, can apply the competency in simple situations, and require frequent guidance.
- **Regularly:** I am applying the competency approximately 70% of the time, in somewhat difficult situations, and require occasional guidance.
- **Always:** I am applying the competency approximately 90% of the time, in considerably difficult situations, and generally require little or no guidance.

Please indicate the extent to which you have used or applied the following skills in your profession:

COMPETENCIES	Not At All	Always
