

Request for Approval under the clearance of the “Generic for ACF Program Monitoring Activities” Office of Management and Budget (OMB) Control Number: 0970-0558

TITLE OF INFORMATION COLLECTION: Annual Data Collection on Sexual Abuse and Sexual Harassment Involving Unaccompanied Alien Children

PURPOSE: The Office of Refugee Resettlement’s (ORR) Interim Final Rule (IFR) on *Standards to Prevent, Detect, and Respond to Sexual Abuse and Sexual Harassment Involving Unaccompanied Children* requires care provider programs to aggregate and provide to ORR incident-based sexual abuse and sexual harassment data on an annual basis (45 CFR 411.102(d)). The IFR requires ORR to review the aggregate data provided in order to assess and improve the effectiveness of its sexual abuse and sexual harassment prevention, detection, and response policies, procedures, practices, and training. This includes identifying problem areas, taking corrective actions on an ongoing basis, and preparing an annual report of its findings and corrective actions. ORR is required to make the annual report available to the public (45 CFR 411.103). The proposed instrument, *Annual Data Collection on Sexual Abuse and Sexual Harassment Involving Unaccompanied Alien Children*, will allow ORR to meet these obligations.

The proposed instrument collects **aggregate data only; no sensitive individual-level data is collected** in the proposed instrument, nor is it included in the annual report based on the collected data. The individual-level instruments from which care providers aggregate the data underwent a public comment period this year and were approved by OMB as follows:
