[Page 403]

        TITLE 43--PUBLIC LANDS: INTERIOR

        CHAPTER II--BUREAU OF LAND MANAGEMENT, DEPARTMENT OF THE INTERIOR

PART 3130_OIL AND GAS LEASING: NATIONAL PETROLEUM RESERVE, ALASKA--
Table of Contents

        Subpart 3137_Unitization Agreements_National Petroleum Reserve-Alaska

Sec. 3137.84 What must I submit to BLM to establish a new participating
area, or modify an existing participating area?

        To establish a new participating area or modify an existing
participating area, you must submit to BLM a--
        (a) Statement that--
            (1) The well meets the productivity criteria (see Sec. 3137.82 of
this subpart), necessary to establish a new participating area. You must
submit information supporting your statement; or
            (2) Explains the reasons for modifying an existing participating
area. You must submit information supporting your explanation;
        (b) Map showing the new or revised participating area and acreage;
and
        (c) Schedule that establishes the production allocation for each
NPR-A lease or tract, and each record title holder and operating rights
owner in the participating area. You must submit a separate allocation
schedule for each participating area.
