Table of Contents

  Subpart 3137_Unitization Agreements_National Petroleum Reserve-Alaska

Sec. 3137.112 What happens if I am prevented from performing actual or construc
tive
drilling or reworking operations?

  (a) If you demonstrate to BLM that reasons beyond your control
prevent you, despite reasonable diligence, from starting actual or
constructive drilling, reworking, or completing operations, BLM will
extend all committed NPR-A leases as if you were performing constructive
or actual drilling or reworking operations. You are limited to two
extensions under this section.
  (b) You must resume actual or constructive drilling or reworking
operations when conditions permit. If you do not resume operations--
  (1) BLM will cancel the extension; and
  (2) The unit terminates (see Sec. 3137.131 of this subpart).
