Table of Contents

      Subpart 3137_Unitization Agreements_National Petroleum Reserve-Alaska

Sec. 3137.130 Under what circumstances will BLM approve a voluntary
termination of the unit?

      BLM will approve the voluntary termination of the unit at any time--
      (a) Before the unit operator discovers production sufficient to
establish a participating area; and
      (b) The unit operator submits to BLM certification that at least 75
percent of the operating rights owners in the unit agreement, on a
surface acreage basis, agree to the termination.
