

Safety Champions Program

The Safety Champions Program is a new program for employers to develop and implement an effective safety and health program. The main goal of safety and health programs is to prevent workplace injuries, illnesses, and deaths. The Program incorporates the seven core elements of [Recommended Practices for Safety and Health Programs](#).

The Safety Champion Program has three Steps (Introductory, Intermediate, and Advanced). The Steps are self-guided, and participants may work at their own pace. Safety Champion participants may also request a [Safety Champion Special Government Employee \(SGE\)](#) to assess their safety and health program and Step progress at any time.

I want to become a Safety Champion to embark on the pathway to safety and health success!
