Paperwork Reduction Act (PRA) Statement:

The public burden to complete this information collection is estimated at 60 minutes per response, including time for reviewing instructions, searching data sources, gathering and maintaining the data needed, and completing and reviewing the collected information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to peter.b.tran@nasa.gov. Current information regarding this collection of information - including all background materials - can be found at <https://www.reginfo.gov/public/do/PRAMain> by using the search function to enter either the title of the collection or 2700-0193.
