(b) Except as to agricultural enterprises as defined in section 18(b)(1) of this Act, the Administration also is empowered to the extent and in such amounts as provided in advance in appropriation Acts—

(i) construction of retaining walls and sea walls;

(ii) grading and contouring land; and

(iii) relocating utilities and modifying structures, including construction of a safe room or similar storm shelter designed to protect property and occupants from tornadoes or other natural disasters, if such safe room or simi-

(2) to make such loans (either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate or deferred (guaranteed) basis) as the Administration may determine to be necessary or appropriate to any small business concern, private nonprofit organization, or small agricultural cooperative located in an area affected by a disaster,²⁶ (including drought), with respect to both farm-related and nonfarm-related small business concerns, if the Administration determines that the concern, the organization, or the cooperative has suffered a substantial economic injury as a result of such disaster and if such disaster constitutes—

Not later than 30 days after the date of receipt of such certification by a Governor of a State, the Administration shall respond in writing to that Governor on its determination and the reasons therefore, and may then make such loans as would have been available under this paragraph if a disaster or emergency declaration had been issued.

Provided, That no loan or guarantee shall be extended pursuant to this paragraph (2) unless the Administration finds that the applicant is not able to obtain credit elsewhere: *Provided further*, That for purposes of subparagraph (D), the Administrator shall deem that such an emergency affects each State or subdivision thereof (including counties), and that each State or subdivision has sufficient economic damage to small business concerns to qualify for assistance under this paragraph and the Administrator shall accept applications for such assistance immediately.

(D) Any loan or guarantee extended pursuant to this paragraph shall be made at the same interest rate as economic injury loans under paragraph (2).

(E) No loan may be made under this paragraph, either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate or deferred basis, if the total amount outstanding and committed to the borrower under this subsection would exceed \$1,500,000, unless such applicant constitutes, or have²⁷ become due to changed economic circumstances, a major source of employment in its surrounding area, as determined by the Administration, in which case the Administration, in its discretion, may waive the \$1,500,000 limitation.

(B) REQUIREMENTS.—The Administrator may only increase the amount of a loan under subparagraph (A) upon receiving an appropriate certification from the borrower and person performing the mitigation attesting to the reasonableness of the mitigation costs and an assignment of any proceeds received from the person engaging in the malfeasance. (B) DISASTER DECLARATION.—For the purpose of making loans under paragraph (1) or (2), the Administrator may declare a disaster in a rural area for which a major disaster was declared by the President under section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170) and for which individual assistance was not authorized under section 408 of such Act (42 U.S.C. 5174) if—

(i) the Governor of the State or the Chief Executive of the Indian tribal government in which the rural area is located requests such a declaration; and

(ii) any home, small business concern, private nonprofit organization, or small agricultural cooperative has incurred significant damage in the rural area.

(C) SBA REPORT.—Not later than 120 days after the date of enactment of this paragraph, and every year thereafter, the Administrator shall submit to the Committee on Small Business and Entrepreneurship of the Senate and the Committee on Small Business of the House of Representatives a report on, with respect to the 1-year period preceding submission of the report—

(16)²⁹ STATUTE OF LIMITATIONS.—Notwithstanding any other provision of law, any criminal charge or civil enforcement action alleging that a borrower engaged in fraud with respect to a loan made under this subsection in response to COVID-19 during the covered period (as defined in section 1110(a) of the CARES Act) shall be filed not later than 10 years after the offense was committed.

No loan under this subsection, including renewals and extensions thereof, may be made for a period or periods exceeding thirty years: *Provided*, That the Administrator may consent to a suspension in the payment of principal and interest charges on, and to an extension in the maturity of, the Federal share of any loan under this subsection for a period not to exceed five years, if (A) the borrower under such loan is a homeowner or a small business concern,

(B) the loan was made to enable (i) such homeowner to repair or replace his home, or (ii) such concern to repair or replace plant or equipment which was damaged or destroyed as the result of a disaster meeting the requirements of clause (A) or (B) of paragraph (2) of this subsection, and (C) the Administrator determines such action is necessary to avoid severe financial hardship: *Provided further*, That the provisions of paragraph (1) of subsection (d) of this section shall not be applicable to any such loan having a maturity in excess of twenty years. Notwithstanding any other provision of law, and except as provided in subsection (d), the interest rate on the Administration's share of any loan made under subsection (b), shall not exceed the average annual interest rate on all interest-bearing obligations of the United States then forming a part of the public debt as computed at the end of the fiscal year next preceding the date of the loan and adjusted to the nearest one-eighth of 1 per centum plus one-quarter of 1 per centum: *Provided, however*, That the interest rate for loans made under paragraphs (1) and (2) hereof shall not exceed the rate of interest which is in effect at the time of the occurrence of the disaster. In agreements to participate in loans on a deferred basis under this subsection, such participation by the Administration shall not be in excess of 90 per centum of the balance of the loan outstanding at the time of disbursement. Notwithstanding any other provision of law, the interest rate on the Administration's share of any loan made pursuant to paragraph (1) of this subsection to repair or replace a primary residence and/or replace or repair damaged or destroyed personal property, less the amount of compensation by insurance or otherwise, with respect to a disaster occurring on or after July 1, 1976, and prior to October 1, 1978, shall be: 1 per centum on the amount of such loan not exceeding \$10,000, and 3 per centum on the amount of such loan over \$10,000 but not exceeding \$40,000. The interest rate on the Administration's share of the first \$250,000 of all other loans made pursuant to paragraph (1) of this subsection, with respect to a disaster occurring on or after July 1, 1976, and prior to October 1, 1978, shall be 3 per centum. All repayments of principal on the Administration's share of any loan made under the above provisions shall first be applied to reduce the principal sum of such loan which bears interest at the lower rates provided in this paragraph. The principal amount of any loan made pursuant to paragraph (1) in connection with a disaster which occurs on or after April 1, 1977, but prior to January 1, 1978, may be increased by such amount, but not more than \$2,000, as the Administration determines to be reasonable in light of the amount and nature of loss, damage, or injury sustained in order to finance the installation of insulation in the property which was lost, damaged, or injured, if the uninsured, damaged portion of the property is 10 per centum or more of the market value of the property at the time of the disaster. No later than June 1, 1978, the Administration shall prepare and transmit to the Select Committee on Small Business of the Senate, the Committee on Small Business of the House of Representatives, and the Committee of the Senate and House of Representatives having jurisdiction over measures relating to energy conservation, a report on its activities under this paragraph, including therein an evaluation of the effect of such activities on en-

couraging the installation of insulation in property which is repaired or replaced after a disaster which is subject to this paragraph, and its recommendations with respect to the continuation, modification, or termination of such activities.

In the administration of the disaster loan program under paragraphs (1) and (2) of this subsection, in the case of property loss or damage or injury resulting from a major disaster as determined by the President or a disaster as determined by the Administrator which occurs on or after January 1, 1971, and prior to July 1, 1973, the Small Business Administration, to the extent such loss or damage or injury is not compensated for by insurance or otherwise—

(A) may make any loan for repair, rehabilitation, or replacement of property damaged or destroyed without regard to whether the required financial assistance is otherwise available from private sources;

(B) may, in the case of the total destruction or substantial property damage of a home or business concern, refinance any mortgage or other liens outstanding against the destroyed or damaged property if such project is to be repaired, rehabilitated, or replaced, except that (1) in the case of a business concern, the amount refinanced shall not exceed the amount of the physical loss sustained, and (2) in the case of a home, the amount of each monthly payment of principal and interest on the loan after refinancing under this clause shall be not less than the amount of each such payment made prior to such refinancing;

(C) may, in the case of a loan made under clause (A) or a mortgage or other lien refinanced under clause (B) in connection with the destruction of, or substantial damage to, property owned and used as a residence by an individual who by reason of retirement, disability, or other similar circumstances relies for support on survivor, disability, or retirement benefits under a pension, insurance, or other program, consent to the suspension of the payments of the principal of that loan, mortgage, or lien during the lifetime of that individual and his spouse for so long as the Administration determines that making such payments would constitute a substantial hardship;

(D) shall, notwithstanding the provisions of any other law and upon presentation by the applicant of proof of loss or damage or injury and a bona fide estimate of cost of repair, rehabilitation, or replacement, cancel the principal of any loan made to cover a loss or damage or injury resulting from such disaster, except that—

(i) with respect to a loan made in connection with a disaster occurring on or after January 1, 1971 but prior to January 1, 1972, the total amount so canceled shall not exceed \$2,500, and the interest on the balance of the loan shall be at a rate of 3 per centum per annum; and

(ii) with respect to a loan made in connection with a disaster occurring on or after January 1, 1972 but prior to July 1, 1973, the total amount so canceled shall not exceed \$5,000, and the interest on the balance of the loan shall be at a rate of 1 per centum per annum.

With respect to any loan referred to in clause (D) which is outstanding on the date of enactment of this paragraph, the Administrator shall—

(i) make sure change in the interest rate on the balance of such loan as is required under that clause effective as of such date of enactment; and

(ii) in applying the limitation set forth in that clause with respect to the total amount of such loan which may be canceled, consider as part of the amount so canceled any part of such loan which was previously canceled pursuant to section 231 of the Disaster Relief Act of 1970.

Whoever wrongfully misapplies the proceeds of a loan obtained under this subsection shall be civilly liable to the Administrator in an amount equal to one-and-one-half times the original principal amount of the loan.

(E) A State grant made on or prior to July 1, 1979, shall not be considered compensation for the purpose of applying the provisions of section 312(a) of the Disaster Relief and Emergency Assistance Act³⁰ to a disaster loan under paragraph (1)(2)³¹ of this subsection.
