

Request for Nonsubstantive Change

ICR 0560-0237

August 4, 2026

FSA conducted a review of form FSA-2313 "Notification of Loan Approval and Borrower Responsibilities" and requests approval for a nonsubstantive change.

The changes include terminology and adding a form field for the respondent to identify the chosen training vendor. The change merges a field from form FSA-2371 "Agreement to Complete Training" which will become obsolete. Therefore, the changes do not affect response time or burden.

FORM: FSA-2313 (Notification of Loan Approval and Borrower Responsibilities) (1 change)

Change 1: Language regarding borrower training is modified in Part C, Item 1 in the paragraph labeled "Borrower Training".

CURRENT

- ☐ A. **Financial management training is required.** You will be required to execute form FSA-2371, "Agreement to Complete Training", at loan closing. Training must be with an approved vendor, and you will have two (2) years to complete the required borrower training. There are certain circumstances under which an extension may be granted, but not completing training as required may affect your eligibility for further loan assistance.
- ☐ B. **Financial management training is waived.**

CHANGE

- ☐ A. **Financial management training is waived.**
- ☐ B. **Financial management training is required.** You are responsible for completing training through an approved program (see attached) and any payment for the required course(s) is your responsibility. There are certain circumstances under which an extension may be granted, but not completing training as required may affect your eligibility for further loan assistance. You must complete training as follows:
- ☐ within 2 years of the date this agreement is signed, unless you are granted an extension by the Farm Service Agency
 - ☐ within 1 year of the date a one-time Operating Loan term limit extension is signed.

I agree to complete financial management training. Using the attached list, the program I have selected is:
