Focus Group Scheduling Form

Focus Group Scheduling for CDC's NCCCP TTA recipients.

Please select all of the dates and times that you may be available to participate in a focus group. During the focus group we will ask about your engagement in TTA, how the TTA has impacted you and your organization's capacities to implement DP22-2202 cooperative agreement activities and achieve its outcomes, and areas in which you need additional support and training. Due to scheduling and limited availability, not all individuals will be selected to participate. If chosen, you'll receive a confirmation email and calendar invite by August 6. If you don't hear from us by that date, it means we weren't able to include you this time, but we hope to offer more opportunities in the future.

When you submit this form, it will not automatically collect your details like name and email address unless you provide it yourself.
