

**Addendum to the Supporting Statement for
Form SSA-1458
Certification by Religious Group
20 CFR 404.1075
OMB Bo. 0960-0093**

Minor Revisions to the Collection Instrument

SSA is making the following revisions:

- **Change:** We are revising the Privacy Act Statement on this form.

Justification: SSA's Office of Law and Policy / Privacy & Disclosure Policy is conducting a systematic review of SSA's Privacy Act Statements on agency forms. As a result, SSA is updating the Privacy Act Statement on the form.

SSA will implement these revisions upon OMB's approval. These revisions will not affect the current burden for this information collection.

Terms of Clearance

OMB placed the following Terms of Clearance on this Information Collection when they last approved it on 7/15/21:

- **Term:** The agency made minor modifications to the supporting statement. Prior to resubmission of this ICR, the agency must ensure that all signature fields are fully fillable and can be signed electronically.

SSA response: SSA reassessed the necessity of a respondent's signature on form SSA-1458 and determined that a signature is no longer required. Accordingly, SSA removed the signature requirement from the form and submitted and received approval via Change Request to OMB in 2024. While the name block remains on the form, respondents only need to type their names into it, as we no longer require a wet signature.
