**Privacy Act Statement
Collection and Use of Personal Information**

Sections 205(c) and 232 of the Social Security Act, as amended, allow us to collect this information, which we will use to correct discrepant earnings records. Providing this information is voluntary, but not providing all or part of the information may prevent correct payments to beneficiaries due to missing and discrepant earnings information, and possible referral to the Internal Revenue Service for penalty evaluation. As law permits, we may use and share the information you submit, including with other Federal agencies, employers, contractors, and others, as outlined in the routine uses within System of Records Notice 60-0059, available at www.ssa.gov/privacy. The information you submit may also be used in computer matching programs for Federal benefits eligibility or to recoup debts under these programs.
