Recordations

In order to process your recordation, please fill out the information on this page.
You may use your account to pay the recordation fee, or you may send a check to:

Surface Transportation Board
395 E Street, SW
Washington, DC 20423

In accordance with Ex Parte 542 Sub-No. 20, served on July 27, 2012, and effective August 26, 2012, the Filing of Documents for Recordations (49 U.S.C. 11301 and 49 CFR 1177.3(c)) is \$42.00 per document.

You will receive an email notifying you when your recordation has been accepted.
Your recordation will not be accepted until it is processed at the STB, and it will not be processed until the fee is received. Therefore, if the recordation is time-sensitive, file it in person at the STB.

First Page of the Website for Filings

The screenshot shows the homepage of the Surface Transportation Board's E-filing system. The browser address bar displays 'www.stb.dot.gov/stb/efilings.nsf'. A navigation bar at the top includes links for E-FILE, E-LIBRARY, RAIL CONSUMERS, INDUSTRY DATA, ENVIRONMENTAL MATTERS, PUBLIC INFORMATION, NEWS, and ABOUT STB. The main heading is 'Welcome to E-Filing at STB'. The page is divided into two columns. The left column explains that E-filings are electronic and must include filer information, and lists three types of filings that are not accepted: initial filings, fee-related filings, and large evidentiary filings. It also states that E-filing is optional and provides the STB's address. The right column features a 'Request a Login Account' button, a link for password recovery, and lists processes requiring and not requiring a login account, with links to 'Formal Filing Recordations', 'How To E-file', 'Environmental Comments', 'FOIA Requests', and 'Information Quality Requests'.

Welcome to E-Filing at STB

E-filings (electronic filings) can be made in lieu of certain paper filings. E-filing is a file attachment process. The document(s) you submit must include the name and address of the person responsible for the filing. E-filing may **not** be used to file:

- initial filings in a proceeding;
- filings requiring a fee (with the exception of recordations, which may be e-filed); or
- large evidentiary filings (over 10MB).

E-filing is not mandatory. You may continue to submit paper filings by submitting an original and ten copies to:

Surface Transportation Board
395 E Street, SW
Washington, DC 20423-0001

This block continues the content from the previous screenshot. The left column contains a 'NOTE' about ZIP codes for express deliveries, instructions on the login process (username as email address), and a note about processing times for filings received after 5pm EST. A yellow box at the bottom of this column provides a phone number for filing issues. The right column continues the list of processes, including links for 'Rail Consumer', 'Public Hearings and Oral Arguments: Notice of Intent to Participate', and 'Other Submissions (Correspondence, Comments)'. It also includes a 'NOTE' about the public nature of certain submissions. The footer contains the STB's address and a navigation bar with links for help, FAQs, FOIA, privacy, disclaimers, and contact, along with the U.S. Department of Transportation and FIRSTGOV.gov logos.

NOTE: For express company and private courier deliveries, use **ZIP CODE 20024**. Use of incorrect ZIP Code may result in additional express company delivery charges.

Some of our e-filing systems will require you to log in, others will not. If you are prompted for a user name and password, you must first request a login account. Your user name will be your e-mail address and you will choose your password during registration. Once we grant you an account, you can continue with your e-filing.

Please note that e-filed documents received after 5pm EST will be processed the next business day.

For any issues regarding STB filings, please call 1-202-245-0350

NOTE: When an individual chooses to submit a Formal Filing, a Recordation, an Environmental Comment, or some Other Submissions, his or her personal contact information is considered public information and is shared within and outside of STB without additional authorization.
