Collection and Use of Personal Information

Sections 1614 and 1631 of the Social Security Act, as amended, allow us to collect this information, which we will use to determine a child's eligibility for Supplemental Security Income (SSI) benefits. Providing the information is voluntary, but not providing all or part of the information may prevent an accurate and timely decision on SSI benefits for a child who is claiming a disability. As law permits, we may use and share the information you submit, including with other Federal agencies, contractors, and others, as outlined in the routine uses within System of Records Notices 60-0089 and 60-0103, available at www.ssa.gov/privacy. The information you submit may also be used in computer matching programs for Federal benefits eligibility or to recoup debts under these programs.
