Privacy Act Statement
Collection and Use of Personal Information

Section 205(b) of the Social Security Act, as amended, allows us to collect this information, which we will use to determine whether to reschedule a disability hearing based on good cause, eligibility, and availability. Providing the information is voluntary, but not providing all or part of the information may prevent you from receiving a new time or location for your disability hearing. As law permits, we may use and share the information you submit, including with other Federal agencies, contractors, and others, as outlined in the routine uses within System of Records Notice 60-0009, available at www.ssa.gov/privacy. The information you submit may also be used in computer matching programs for Federal benefits eligibility or to recoup debts under these programs.
