International Cultural Exchange Program

The petition must be filed with evidence showing that the employer:

1. Maintains an established international cultural exchange program;
2. Has designated a qualified employee to administer the program and serve as a liaison with USCIS;
3. Is actively doing business in the United States;
4. Will offer the beneficiary wages and working conditions comparable to those accorded local domestic workers similarly employed; and
5. Has the financial ability to remunerate the participants.

To demonstrate that the petitioner has an established international cultural exchange program, submit program documentation, such as catalogs, brochures, or other types of material. To demonstrate financial ability to remunerate the participants, submit your organization's most recent annual report, business income tax return, or other form of certified accountant's report. If the proposed dates of employment are within the same calendar year of a previously approved Q-1 petition filed for the same international cultural exchange program, a copy of the approval notice for that prior petition may be submitted in lieu of the required evidence about the program described above.
