🇺🇸 Early Filing

If you are applying based on lawful permanent residence for 5 years, you may generally file your application up to 90 days before meeting the required 5-year period of continuous residence as a lawful permanent resident. If you are applying based on your marriage to a U.S. citizen, you may generally file up to 90 days before meeting the required 3-year period of continuous residence as a lawful permanent resident.

-However, applicants filing up to 90 days before meeting the continuous residence requirement must still meet all other requirements for naturalization at the time of filing Form N-400. If these requirements are not met at the 90-day period, the applicant must wait to file until the requirement is met, otherwise, the application will be rejected or denied. For example:

- If you are applying under Immigration and Nationality Act (INA) section 319(a) as the spouse of a U.S. citizen, you must have been married to a U.S. citizen for at least 3 years at the time you file Form N-400; or
- If you request an exception to the English testing requirements, you must meet the requirements for the exception (age and years as a lawful permanent resident) when you file Form N-400.

Note: We will reject your application if you submit it too early.

🇺🇸 Fee

We will automatically calculate the cost for you when you submit your application. [For specific information about fees applicable to this form, see Form G-1055.](#)

Note: Current and former members of the U.S. armed forces filing under INA section 328 or 329 are not required to pay the filing fee or the biometric services fee.

Fee reduction: If you are requesting a fee reduction, you cannot file online. You must file a paper version of Form [N-400, Application for Naturalization](#).

Fee waiver: If you are requesting a fee waiver, you cannot file online. You must file a paper version of both the [Form I-912, Request for Fee Waiver](#), and [Form N-400, Application for Naturalization](#). You can review the fee waiver guidance at [www.uscis.gov/feewaiver](#).

Refund policy: USCIS does not refund fees, regardless of any action we take on your application, **petition**, or request, or how long USCIS takes to reach a decision. By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service.

Please refer to the instructions for the form(s) you are filing for additional information or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-1833.

🇺🇸 Filing online

Submitting your application online is the same as mailing in a completed paper form. They both gather the same information.

📄 Documents you may need

We will automatically determine which documents you need to provide us as you fill out your application. At the time of filing, you must submit all evidence and supporting documentation listed.

The other documents you need will depend on the information you provide in the application, such as your personal history, family, and circumstances.

🔑 Biometrics services appointment

USCIS may require you to appear for an interview and provide biometrics (fingerprints, photograph, and/or signature) at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application or petition. If we determine that a biometric services appointment is necessary, we will send you an appointment notice with the date, time, and location of your appointment. If you are currently overseas, your notice will instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment.

At your biometrics appointment, you must sign an oath reaffirming that:

- You provided or authorized all information in the application;
- You reviewed and understood all of the information contained in, and submitted with, the application; and
- All of this information was complete, true, and correct at the time of filing.

If you do not attend your biometric services appointment, we may deny your application.

After you submit your application

📌 Track your case online

After you submit your form, you can track its status through your USCIS account. Sign [in](#) to your account often to check your case status and read any important messages from USCIS.

✅ Respond to requests for information

If we need more information from you, we will send you a Request for Evidence (RFE) or Request for Information (RFI). You can respond to our request and upload your documents through your USCIS account.

🔑 Provide your biometrics

We will contact you to schedule an appointment at an Application Support Center near you. At the appointment, we will get your fingerprints, photograph, and signature.

✅ Attend your interview

After your biometrics appointment, we will schedule your interview at a local USCIS field office (unless you qualify for a special accommodation). At the interview, you will answer questions about your application and take the civics and English tests as required.

🚩 Take the Oath of Allegiance

Once your application is approved, you will be ready to take the Oath of Allegiance. At your naturalization ceremony, you will return your Permanent Resident Card (Green Card), answer questions about your activity since the interview, take the Oath of Allegiance, and get your Certificate of Naturalization.

What is your current physical address?

You must provide a physical address so that U.S. can schedule your biometric and interview appointments at the correct location.

If you are currently homeless, you can indicate “homeless” in the Street Number and Name field; however, you will need to provide the city, state, ZIP code, and country where you live. You can then use [Form G-1145, E-Notification of Application/Petition Acceptance](#), to request notification by text or email confirming receipt of your Form N-400.

What is your current mailing address (Safe Mailing Address, if applicable)?

We will use your current mailing address to contact you throughout the naturalization process. We may not be able to contact you if you do not provide a complete and valid address.

If you are residing in a shelter or safe house at the time of filing this application or you otherwise do not feel safe providing your current mailing address, you may provide a “safe address” where you are able to receive mail. You may provide a post office box (P.O. Box) or the address of a friend, your attorney, a community-based organization that is helping you, or any other address where you can safely and timely receive mail.

Post Office (P.O.) Box numbers

You may provide a Post Office Box (P.O. Box) or the address of a friend, your attorney, a community-based organization that is helping you, or any other address where you can safely and timely receive mail. Do not provide a P.O. Box number unless it is your only address.

Students

Lawful permanent resident students who are eligible for naturalization may apply for naturalization either in the USCIS district where they go to school or in the USCIS district where their parents live if they are still financially dependent on their parents.

Spouses of a U.S. citizen employed abroad

If you reside outside of the United States, are applying under INA section 319(b), and you want us to collect your biometrics in the United States, then you must provide an address in the United States. We will send a letter to your U.S. mailing address notifying you when and where to go for your biometrics services appointment.

Domestic violence victims

If you are a victim of domestic violence, you are not required to disclose the confidential address of a shelter or safe house. If you are currently residing at a shelter or safe house or have resided in a shelter or safe house for part of the reporting period, you may provide just the name of the city and state of residence for the shelter or safe house. If we need further clarification, we will ask at the interview.

Do you have a physical or developmental disability or mental impairment that prevents you from demonstrating your knowledge and understanding of the English language or civics requirements for naturalization?

If you want to apply for a disability exception, your disability or impairment must affect your ability to read, write, or speak the English language or learn U.S. civics, even with accommodations. Your disability must have affected you for at least 1 year or be expected to last longer than 1 year. If you qualify for a disability exception, an interpreter who is fluent in English and the language of your choice must come with you to your interview.

You cannot qualify for a disability exception based on illiteracy.

☒ Yes

☐ No

 You should request a disability accommodation

If you need a sign language interpreter, make your request as soon as you receive your appointment notice. The more advance notice we have of your accommodation request, the better prepared we can be and less likely we will need to reschedule your appointment.

You must register with the Selective Service before you apply for naturalization

[Register with the Selective Service online.](#)

After you register, provide your Selective Service information on your application.

You may need to provide a status information letter from the Selective Service

Since you indicated you are 26 years old or older, but you did not register with the Selective Service System, you should provide a status information letter from the Selective Service with your application.

[Download the Selective Service status information letter here.](#)

You can upload your letter as evidence or bring it with you to your naturalization interview.

Note: If you are 31 years of age or older (or 29 years of age or older if you are applying based on being the spouse of a U.S. citizen) at the time you file your Form N-400, you do not need to provide a status information letter from the Selective Service.
