Supplemental Document: Justification for a no Material/Non-Substantive Change

MARAD requests approval to make the following changes OMB 2133-0554 (Application and Reporting Elements for Participation in the Tanker Security Program)

- Replaced of all reference to National Defense Authorization for Fiscal Year 2021 with 46 U.S.C. §§ 53401-12 in the title of the form for this collection

- Inclusion of official OMB Number i.e. 2133-0554 in the Paperwork Reduction Act Statement and all page headers in the application form

- Section A. Applicant's citizenship and maritime related affiliations

    - Update of the abbreviation for Code of Federal Regulations from "CFR" to "C.F.R."

- Section F. Provide any charters or management agreements that would govern the operation of the vessel if selected (pro forma copies are acceptable), including (but not limited to):

    - Updated list of options to include the following: a. United States Citizen Trust and b. Demise or Bareboat Charter. The updated list is as follows:

    a. United States Citizen Trust
    b. Demise or Bareboat charter;
    c. Time Charter;
    d. Vessel Management Agreement; and
    e. Crewing Agreement

- Other Exhibits

    - Replaced all reference to National Defense Authorization for Fiscal Year 2021 with 46 U.S.C. §§ 53401-12
