

EIB 10-06 EXIM Application for Approved Finance Provider

Non-Substantive Change

EXIM is requesting non-substantive change on page 2 of the Form EIB 10-06 for the wording of Required Supplemental Information, item (d). The purpose of the change is to reflect the requested content fully and clearly in accordance with what the form already requires. No additional burden or change in user experience will result.

Existing Text:

d. Description of Applicant's trade finance experience **and a description of the trade finance experience** of each member of senior management and each person who will be responsible for the EXIM relationship, including each person who will sign the MGA (if one is being requested) or other documents to be submitted to EXIM.

Updated Text:

d. Description of Applicant's trade finance **and/or commercial lending and/or asset-based lending experience and a description of said experience** of each member of senior management and each person who will be responsible for the EXIM relationship, including each person who will sign the MGA (if one is being requested) or other documents to be submitted to EXIM.
