SOFTWARE HOUSE - CCURE APPLICATION OMB INFORMATION

AGENCY DISCLOSURE NOTICE

The public reporting burden for this collection of information, 0703-CURE, is estimated to average 7 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or burden reduction suggestions to the Department of Defense, Washington Headquarters Services, at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

PRIVACY ACT STATEMENT

AUTHORITY: 5 U.S.C. 522a, Privacy Act of 1974, SORN NM05512-2, 10 U.S.C. 5013, Secretary of the Navy and 10 U.S.C. 5041, Headquarters, Marine Corps, 75 FR 24932; April 9, 2014, 79 FR 19593.

PRINCIPAL PURPOSE: To readily identify all personnel who are allowed to access Naval Air Station Jacksonville and the Fleet Readiness Center Southeast (FRCSE) in the furtherance of the Center's Mission; and to comply, verify and update the Center authorized visitor list in support of administrative and security measures. To control physical access to Department of Defense (DoD), Department of the Navy (DON) or U.S. Marine Corps Installations/Units controlled information, installations, facilities, or areas over which DoD, DON, or U.S. Marine Corps has security responsibilities by identifying or verifying an individual through the use of biometric databases and associated data processing/information services for designated populations for purposes of protecting U.S./Coalition/allied government/national security areas of responsibility and information; to issue badges, replace lost badges, and retrieve passes upon separation; to maintain visitor statistics; collect information to adjudicate access to facility; and track the entry/exit times of personnel.

ROUTINE USES: Data / information collected and entered into the CCURE application as part of the process for issuing access badges to FRCSE's command facilities. To designated contractors, Federal agencies, and foreign governments for the purpose of granting access to their facility.

DISCLOSURE: Furnishing personal information on this form is totally voluntary, but failure to do so may result in disapproval of NAS Jacksonville and entry to the FRCSE's command spaces.

This informational form is provided to contractors during information collection activities for the Sensormatic Electronics (CCURE) Application Database. Physical Security Office personnel are approved and required to provide a copy of this information at the time information is collected from contractors. This application hand-out was approved and last updated 8/18/26.
