

CDRH Advisory Committee Meeting Satisfaction Survey 2024

Introduction

OMB Control No.: 0910-0360

Expiration Date: 10/31/2026

Thank you for attending the Advisory Committee Meeting. The FDA's Center for Devices and Radiological Health (CDRH) would appreciate you completing this brief survey. Your feedback will help CDRH improve future meetings.

Your participation / nonparticipation is completely voluntary, and your responses will not affect your eligibility to receive any FDA services. In instances where respondent identity is needed (e.g., for follow-up of non-respondents), this information collection fully complies with all aspects of the Privacy Act and data will be kept private to the fullest extent allowed by law.

Paperwork Reduction Act Statement: The Paperwork Reduction Act of 1995 provides that an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0910-0360. The time required to complete this information collection is estimated to average 5 minutes per response. Send comments regarding this burden estimate or any other aspects of this collection of information, including suggestions for reducing burden to PRASStaff@fda.hhs.gov.
