Privacy Act Statement

The National Institute for Occupational Safety and Health (NIOSH) Health Hazard Evaluation (HHE) Program collects this information under Section 20 of the Occupational Safety and Health Act (29 U.S.C. § 669). Collection of the last four digits of your Social Security Number is authorized pursuant to Executive Order 9397, as amended. NIOSH will use the information you provide to conduct Health Hazard Evaluations, maintain accurate participant records, perform follow-up activities when necessary, and distinguish among individuals with similar names to ensure accurate record matching and management. Providing this information is voluntary; however, failure to provide requested identifying information, including the last four digits of your Social Security Number, may limit NIOSH's ability to accurately maintain records or conduct follow-up activities.

The Privacy Act of 1974 (5 U.S.C. § 552a) governs the collection and use of this information. Records are maintained in CDC/NIOSH System of Records Notice (SORN) 09-20-0147, Occupational Health Epidemiological Studies and EEOICPA Program Records and WTC Health Program Records. Information may be disclosed outside CDC only as permitted by the Privacy Act, in accordance with the routine uses published for this system of records, and as otherwise authorized by law. Records will be maintained and protected in accordance with applicable federal privacy and security requirements.
