Comment received:	Melissa - I hope this finds you well. I am reaching out to formally request a copy of the data collection plans and instruments referenced in this (https://public-inspection.federalregister.gov/2025-07413.pdf) federal register document regarding Generic Clearance for National Cancer Institute (NCI) Resources, Software and Data Sharing Forms. I would also like to request more information on this project in regards to its scope, cost, implementation plans, stakeholders involved and general plans for the use of large scale genomic data by the NCI in planned and ongoing programs/studies/projects/grants/awards/etc. Thank you for the help in advance, please let me know if you have any additional questions. Best, Tim Daley
