

CMS Applicant Information Collection Form

PRA Disclosure Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1185 (Expires 03/31/2026). The time required to complete this information collection is estimated to average two minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. This is voluntary information collection to help CMS capture recruitment event data, career interest and contact information from people individuals interested in CMS careers at events, webinars, or through other digital channels. The information is associated with the System of Record of Notice (SORN) OPM GOVT-5. The name of the system is Recruiting, Examining and Placement Records. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850. ****CMS Disclosure**** Please do not send applications, claims, payments, medical records or any documents containing sensitive information to the PRA Reports Clearance Office. Please note that any correspondence not pertaining to the information collection burden approved under the associated OMB control number listed on this form will not be reviewed, forwarded, or retained. If you have questions or concerns regarding where to submit your documents, please contact CMSRecruitment@cms.hhs.gov.

Thank you for your interest in exploring new career opportunities with CMS. Please complete the candidate questionnaire to be notified about future career opportunities, events, and webinars at CMS.

Thank you,

CMS Recruitment Team
