

CMS-381 PRA Package

CMS-381 Form:

Section of Revised CMS-381 (Revised between 60 day and 30 day public comment period)	Type of Change	Rationale for Change
Instructions for Completing Form CMS-381: General Instructions Section	Removed attestation language	We are no longer pursuing attestation as a recertification option.
Instructions for Completing Form CMS-381: For Existing Medicare-participating OPT/OSP Section	Removed: attestation language for non-deemed facilities. Added: Accrediting organization (AO) surveyors may voluntarily use the form.	We are no longer pursuing attestation as a recertification option. The form has always been optional for AOs to use, but we added the statement for improved clarity.
Instructions for Completing Form CMS-381: Additional Guidance Section	Updated: URL for the List of CMS-approved AOs	The URL was outdated.
