### Evidence of the Relationship

Submit copies of documents indicating that the marriage upon which you were granted conditional status was entered in "good faith" and was not for the purpose of circumventing immigration laws. Submit copies of as many documents as you can to establish this fact, to demonstrate the circumstances of the relationship from the date of the marriage to the present date, and to demonstrate any circumstances surrounding the end of the relationship, if it has ended. The documents should include, but are not limited to, the following examples:

1. Birth certificates of children born during the time of this marriage, if any;
2. Lease or mortgage contracts showing joint occupancy and/or ownership of your communal residence;
3. Financial records showing joint ownership of assets and joint responsibility for liabilities, such as joint savings and checking accounts with transaction history, complete joint Federal and State tax returns, insurance policies that show the other spouse as the beneficiary, joint utility bills, or joint installment or other loans. If applicable, submit copies of military Leave and Earnings Statements showing receipt of Basic Allowance for Quarters (BAQ) with family members and/or Form DD-1172 for military family member identification cards;
4. Other documents that you consider relevant to establish that your marriage was not entered for the purpose of evading U.S. immigration laws; and
5. Affidavits sworn to or affirmed by at least two people who have known both of you since your conditional residence was granted and have personal knowledge of your marriage and relationship. (Such persons may be required to testify before an immigration officer as to the information contained in the affidavit.) The original affidavit must be submitted and also contain the following information regarding the person making the affidavit: his or her full name and address; date and place of birth; relationship to you or your spouse, if any; and full information and complete details explaining how the person acquired his or her knowledge. Affidavits must be supported by other types of evidence listed above.

**If you are filing as an individual due to the death of your spouse**, submit a copy of the death certificate with your petition, along with evidence of the qualifying relationship.

**If you are filing as an individual because your marriage has been terminated**, submit a copy of the final divorce decree or other document terminating or annulling the marriage with your petition, along with evidence of the qualifying relationship.

**If you are filing as an individual because you and/or your conditional resident child were battered or subjected to extreme cruelty**, submit:

1. Evidence of the abuse, such as copies of reports or official records issued by police, courts, medical personnel, school officials, clergy, social workers, and other social service agency personnel. You may also submit any legal documents relating to an order of protection against the abuser or relating to any legal steps you may have taken to end the abuse. You may also submit evidence that you sought safe haven in a shelter for the abused or similar refuge, as well as photographs evidencing your injuries; and
2. A copy of your divorce decree, if your marriage was terminated by divorce on grounds of physical abuse or extreme cruelty.

**If you are filing for a waiver of the joint filing requirement because the termination of your status and removal would result in "extreme hardship,"** you must submit evidence that your removal would result in hardship significantly greater than the hardship encountered by other foreign nationals who are removed from this country after extended stays. The evidence must relate only to those factors that arose during the two-year period for which you were admitted as a conditional resident. For a discussion of extreme hardship, please visit this website

## G-28, Notice Of Entry Of Appearance As Attorney Or Accredited Representative

The Notice of Entry of Appearance as Attorney or Accredited Representative is for attorneys and accredited representatives to provide information to establish their eligibility to appear for and act on behalf of an applicant, petitioner, requester, beneficiary or derivative, or respondent in immigration matters.

An attorney or accredited representative must complete and submit a new G-28 form for each client case. The G-28 can be started along with a client's new case or it can be added to a client's already-submitted case. USCIS will only recognize a completed G-28 once the client has reviewed and signed the form.

### Before You Start Your Application Or Petition

#### Who should complete this form

You should only complete this form if you are an attorney or accredited representatives as defined in 8 CFR 1.2 and 1292.

#### Law students and law graduates

If you are a law student or law graduate who is working under the direct supervision of an attorney or accredited representative, you will need to provide your name on the form.

#### Foreign attorneys

If you are an attorney not licensed to practice law in the United States, you should not use this form. Instead, you will need to file the Notice of Entry of Appearance as Attorney In Matters Outside the United States (G-281).

#### Other representatives

If you are seeking to appear as a reputable individual as defined in 8 CFR 292.1(a)(3), you should not use this form. Instead, you will need to seek permission from DHS to appear with your client.

### After You Submit Your Application, Petition, or Request

#### Initial Processing

After you submit your PDF form online, we will check it for completeness. It may take up to 30 days for us to complete initial processing. You will receive a notification in your USCIS online account after your form has completed initial processing.

If your online PDF submission did not meet the criteria for initial processing, we will mail you a notice explaining why your submission could not be processed.

#### Mailed Receipt Notice

If your online PDF submission meets the criteria for initial processing, we will mail you a Receipt Notice to the mailing addresses provided on your form.

#### Your client adds you as his or her representative

After you complete the G-28 and provide your signature, we will give you a one-time passcode to give to your client. Your client will need to sign in to his or her USCIS account (or create a new one) and enter this code to officially add you as a representative.

#### Your client reviews and signs the G-28

Once your client adds you as a representative, he or she will need to review the information provided in the G-28. If all the information is correct, your client will accept the G-28 and then provide his or her signature. If the information in incorrect, your client will decline the G-28 and we will send it back to you to make updates.

Once your client accepts the G-28, he or she will then review each benefit form submitted with the G-28. If all information is correct, your client will provide his or her signature. If any information is incorrect, your client may decline and send back the benefit form(s) for you to make any updates.

If you are adding a G-28 to your client's already-submitted case, the case status will be updated referencing the G-28.

#### You submit and pay for your client's online form (for new cases)

Once your client reviews and signs the online form, a link will appear on your account home page that takes you to a page to submit the G-28 along with your client's online form, and pay the fee for your client's form (if there is one).
