Extracted from CV · Institution

University of California, Berkeley

US-based institution confirmed

Extracted from CV · First became a faculty member

When did you first become a full-time faculty member (Assistant Professor or equivalent role), **even at a prior institution**?

January 2021

Only the month matters — we count from the start of that month, so you get full credit toward the one-year requirement.

Time as a faculty member (measured from the date above): **5 years, 8 months — meets 1-year requirement**

Extracted from CV · Highest Degree

PhD

2014

Please enter manually · ORCID iD

0000-0000-0000-0000

No ORCID iD was found on your CV. Please enter it — find yours at orcid.org.

Extracted from CV · Department

Department of Bioengineering

Lab or Researcher Profile Website (optional)

Senior-Authored Publications

Please provide citations for two senior-authored research publications.

Please insert a citation for one senior-authored research publication in a peer-reviewed journal in the last two years

Please insert one additional citation for a senior-authored research publication since receiving your Ph.D. or M.D.

Minority Serving Institution

Is your institution a Minority Serving Institution (MSI)?

Yes No I don't know

SRO Recommendation

Did a CSR Scientific Review Officer (SRO) suggest you apply to the ECR program?

Yes No

If an SRO recommended you, we'll send them an FYI that you applied — no action is needed from them.
