General Comment

RAMP wishes to express feedback regarding Docket No. SSA-2026-1090. As an Employment Network (EN), we echo the concerns expressed by the National Employment Network Association (NENA), as well as their alternative proposals to improve reporting accuracy while reducing the burden on both providers and beneficiaries.
NENA's response to this inquiry goes into more detail on their alternative proposals. RAMP believes that NENA's ideas will more effectively meet the goals of beneficiaries, providers, and the SSA than those expressed in Docket No. SSA-2026-1090.
