CUES Practitioner Implementation Log

Please complete this log following each CUES conversation you have with a program participant.

"CUES" stands for "confidentiality," "universal education + empowerment," and "support." A CUES conversation is a one-on-one interaction with a program participant about IPV that uses the following structure and incorporates the CUES safety card:

- ✓ **C** - disclose any limits to confidentiality
- ✓ **UE** - provide universal education on complicated relationships, discuss healthy and unhealthy relationships, and encourage the participant to share the information with a friend
- ✓ **S** - offer support and resources related to IPV
