Add Existing Mass Media Facility

To obtain a 25 percent New Entrant bidding credit, the applicant, or any individual or entity with an attributable interest in the applicant, may not have an attributable interest in more than three mass media facilities.

The new entrant bidding credit is not available to a winning bidder if it, or any individual or entity with an attributable interest in the winning bidder, has an attributable interest in any existing media of mass communications in the "same area" as the broadcast facility proposed in this auction.

Identify Mass Media Facility

Identify and/or describe (1) the existing mass media facility in which the attributable interest is held (2) the individual or entity with the attributable interest (3) the attributable interest in the existing mass media facility and (4) whether any of the broadcast facilities proposed in this auction are in the "same area" as existing mass media facilities.

Identify up to three Mass Media Facilities.

Required fields are marked with an asterisk (*)

1. that the applicant is legally, technically, financially, and otherwise qualified pursuant to section 308(b) of the Communications Act of 1934, as amended, and is in compliance with the foreign ownership provisions contained in section 310 of the Communications Act of 1934, as amended.
2. that the applicant is the real party in interest in this application and that there are no agreements or understandings other than those specified in this application, which provide that someone other than the applicant shall have an interest in the license.
3. that the applicant is aware that, if upon Commission inspection, this application is shown to be defective, the application may be dismissed without further consideration, and certain fees forfeited. Other penalties may also apply.
4. that the applicant has provided a brief description of, and identified each party to, any partnerships, joint ventures, consortia or other agreements, arrangements or understandings of any kind relating to the licenses being auctioned, including any agreements that address or communicate directly or indirectly bids (including specific prices), bidding strategies (including the specific licenses on which to bid or not to bid), or the post-auction market structure, to which the applicant, or any party that controls as defined in section 1.2105(a)(4) of the Commission's rules or is controlled by the applicant, is a party.
5. that the applicant (or any party that controls as defined in section 1.2105(a)(4) of the Commission's rules or is controlled by the applicant) has not entered and will not enter into any partnerships, joint ventures, consortia or other agreements, arrangements, or understandings of any kind relating to the licenses being auctioned that address or communicate, directly or indirectly, bidding at auction (including specific prices to be bid) or bidding strategies (including the specific licenses in which to bid or not to bid), or post-auction market structure with any other applicant (or any other party that controls or is controlled by another applicant); with a nationwide provider that is not an applicant (or any party that controls or is controlled by such a nationwide provider); or, if the applicant is a nationwide provider, with any non-nationwide provider that is not an applicant (or with any party that controls or is controlled by such a non-nationwide provider), other than agreements, arrangements, or understandings specifically excluded under section 1.2105(a)(2)(ix)(A)-(C) of the Commission's rules.
6. that if applicant has an interest disclosed pursuant to section 1.2112(a)(1)-(6) of the Commission's rules with respect to more than one short-form application for an auction, it will implement internal controls that preclude any individual acting on behalf of the applicant as defined in section 1.2105(c)(5) from possessing information about the bids or bidding strategies (including post-auction market structure), of more than one party submitting a short-form application or communicating such information with respect to a party submitting a short-form application to anyone possessing such information regarding another party submitting a short-form application.
7. that if the applicant or a member of the applicant claims the exception under section 1.2105(a)(3) of the Commission's rules, it will implement internal controls to insulate itself from the bidding process of the cellular partnership and any other members of the partnership, except that it may, prior to the deadline for resubmission of short-form applications, express to the partnership the maximum it is willing to spend as a partner.
8. that the applicant, or any party to this application, is not subject to a denial of federal benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988.
9. that if a bidding credit eligibility is claimed, the applicant is eligible for any special provisions set forth in the Commission's rules applicable to this auction and consents to audits, as set forth in the Commission's rules, to verify such status.
10. that the applicant is and will, during the pendency of its application(s), remain in compliance with any service specific qualifications applicable to the licenses on which the applicant intends to bid including, but not limited to, financial qualifications.
11. that the applicant is not in default on any payment for Commission licenses and that it is not delinquent on any non-tax debt owed to any federal agency.

1. that the applicant is legally, technically, financially, and otherwise qualified pursuant to section 308(b) of the Communications Act of 1934, as amended, and is in compliance with the foreign ownership provisions contained in section 310 of the Communications Act of 1934, as amended.
2. that the applicant is the real party in interest in this application and that there are no agreements or understandings other than those specified in this application, which provide that someone other than the applicant shall have an interest in the license.
3. that the applicant is aware that, if upon Commission inspection, this application is shown to be defective, the application may be dismissed without further consideration, and certain fees forfeited. Other penalties may also apply.
4. that the applicant has provided a brief description of, and identified each party to, any partnerships, joint ventures, consortia or other agreements, arrangements or understandings of any kind relating to the licenses being auctioned, including any agreements that address or communicate directly or indirectly bids (including specific prices), bidding strategies (including the specific licenses on which to bid or not to bid), or the post-auction market structure, to which the applicant, or any party that controls as defined in section 1.2105(a)(4) of the Commission's rules or is controlled by the applicant, is a party.
5. that the applicant (or any party that controls as defined in section 1.2105(a)(4) of the Commission's rules or is controlled by the applicant) has not entered and will not enter into any partnerships, joint ventures, consortia or other agreements, arrangements, or understandings of any kind relating to the licenses being auctioned that address or communicate, directly or indirectly, bidding at auction (including specific prices to be bid) or bidding strategies (including the specific licenses in which to bid or not to bid), or post-auction market structure with any other applicant (or any other party that controls or is controlled by another applicant); with a nationwide provider that is not an applicant (or any party that controls or is controlled by such a nationwide provider); or, if the applicant is a nationwide provider, with any non-nationwide provider that is not an applicant (or with any party that controls or is controlled by such a non-nationwide provider), other than agreements, arrangements, or understandings specifically excluded under section 1.2105(a)(2)(ix)(A)-(C) of the Commission's rules.
6. that if applicant has an interest disclosed pursuant to section 1.2112(a)(1)-(6) of the Commission's rules with respect to more than one short-form application for an auction, it will implement internal controls that preclude any individual acting on behalf of the applicant as defined in section 1.2105(c)(5) from possessing information about the bids or bidding strategies (including post-auction market structure), of more than one party submitting a short-form application or communicating such information with respect to a party submitting a short-form application to anyone possessing such information regarding another party submitting a short-form application.
7. that if the applicant or a member of the applicant claims the exception under section 1.2105(a)(3) of the Commission's rules, it will implement internal controls to insulate itself from the bidding process of the cellular partnership and any other members of the partnership, except that it may, prior to the deadline for resubmission of short-form applications, express to the partnership the maximum it is willing to spend as a partner.
8. that the applicant, or any party to this application, is not subject to a denial of federal benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988.
9. that if a bidding credit eligibility is claimed, the applicant is eligible for any special provisions set forth in the Commission's rules applicable to this auction and consents to audits, as set forth in the Commission's rules, to verify such status.
10. that the applicant is and will, during the pendency of its application(s), remain in compliance with any service specific qualifications applicable to the licenses on which the applicant intends to bid including, but not limited to, financial qualifications.
11. that the applicant is not in default on any payment for Commission licenses and that it is not delinquent on any non-tax debt owed to any federal agency.
12. that the applicant and all of the related individuals and entities required to be disclosed on this application are not person(s) who have been, for reasons of national security, barred by an agency of the Federal Government from bidding on a contract, participating in an auction, or receiving a grant.

I declare, under penalties of perjury, that I am an authorized representative of the above named applicant for the licenses and/or licenses areas specified above, that I have read the instructions and the foregoing certification and all matters and things stated in this application, its schedules, and attachments, including exhibits, are true and correct.
